Re: Grant No. 3141

Dear Dr. Levine:

The Scientific Director and CTR's staff have discussed your request for partial support of the World Congress on Cell and Tissue Culture to be held in Anaheim, CA, June 16-20, 1991.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am happy to tell you that we will make a contribution of \$1,000.00 to help defray the costs of the program. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgment of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon C. McAllister
